26bitz

Empowering Healthcare, One Bit at a Time

About 26bitz

- <u>26bitz</u> operates at the intersection of healthcare, medical innovation, and wellness – helping companies build compliant, user-focused digital products.

- We a distributed team based in Europe, operating globally. Our structure allows us to stay lean, responsive, and focused. Whether it's a pre-seed startup building an MVP or a MedTech company scaling a certified product, we bring the same care and attention to detail.

26BITZ
